

# TYPHOON "ODETTE" (RAI)

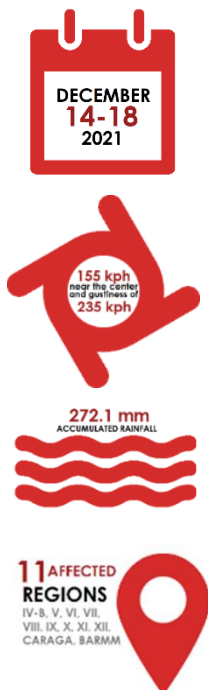

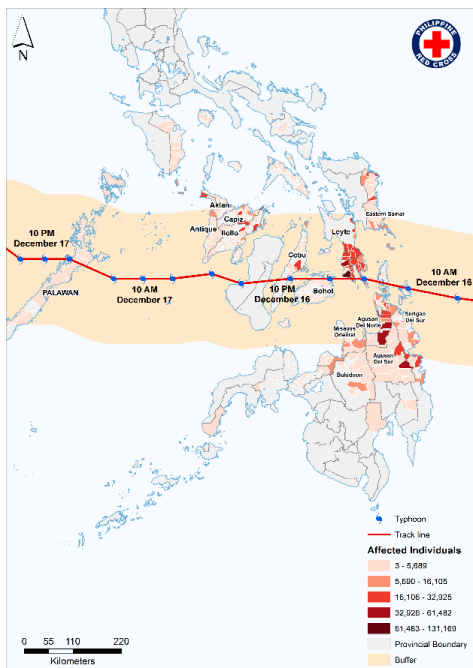

PRC UPDATE 36

08 February 2022 as of 10:00 AM

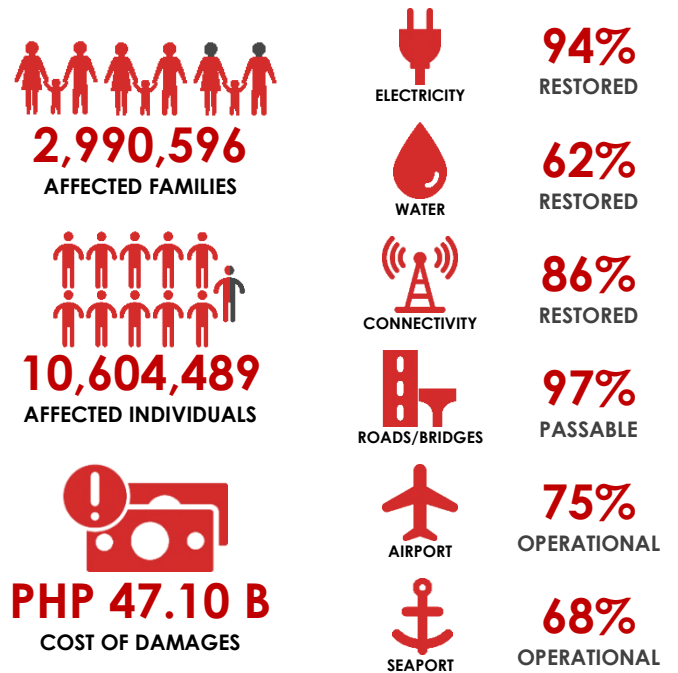

## I. BACKGROUND<sup>1</sup>

On 12 December 2021, a Low-Pressure Area (LPA) outside the Philippine Area of Responsibility (PAR) developed into a tropical depression. It was then categorized as a tropical storm with international name "Rai". Entering PAR on 14 December 2021, Rai was assigned the name "Odette". TY Odette intensified and reached severe tropical storm category. Later on, it further intensified into typhoon category. TY Odette sustained this typhoon category prior and throughout its 9 landfalls across the regions of Mindanao, Visayas, and MIMAROPA, before making its exit on 18 December 2021.

**II. SITUATION**

• **TY Odette extent of damage**

Throughout its course traversing the Philippine landmass TY Odette brought with it very strong winds and heavy rainfall. Hitting the 272.1 mm mark, the amount of accumulated rainfall was deemed to be so much more than what Yolanda, the strongest typhoon to have ever hit the Philippines, poured down when it struck in 2013. TY Odette caused severe flooding, storm surges, and landslides; destroying homes, properties, infrastructures, and dealing a great amount of damage to people's livelihood. Along its path, the regions of MIMAROPA, Bicol Region, Western Visayas, Central Visayas, Eastern Visayas, Zamboanga Peninsula, Northern Mindanao, Davao Region, SOCCSKSARGEN, CARAGA, and the BARMM region were affected. Of these regions, provinces in the Western Visayas, Central Visayas, Eastern Visayas, Northern Mindanao, CARAGA, and MIMAROPA felt TY Odette's impact the most. Through the Proclamation No. 1267 <sup>6</sup>, a total of 541 cities/municipalities in these regions were declared under state of calamity effective for one year.

10 NDRRMC Situational Report No. 44 on Ty Odette, 07 February 2022 08:00AM

## PHILIPPINE RED CROSS DISASTER PREPAREDNESS AND RESPONSE ACTIVITIES

### CHALLENGES TO HUMANITARIAN RESPONSE

- BASIC LIFELINES WERE MOSTLY DAMAGED**
  - Majority of the affected areas had limited to no access to electricity. Consequently, the disruption of the power supply also meant the disruption of the water supply
  - Major portals of entry and exit to the affected areas, such as roads and bridges, as well as airports and seaports, sustained significant damage; affecting transportation
  - Communication lines were greatly affected, there is weak to no signal in certain areas
- THREATS TO HEALTH**
  - Rising cases of diarrhea was detected
  - Risks of COVID 19 still largely prevalent, affecting the already vulnerable communities, as well as PRC staff and volunteers
- LOCATION OF AFFECTED AREAS**
  - TY Odette stricken areas were situated in remote and island areas
  - The magnitude and scope of damage of TY Odette is greater compared to other major disasters in the past
- WEATHER**
  - Effects of shearline and the monsoon can still be felt. Inclement weather experienced occasionally.

### PRIORITY NEEDS/INTERVENTION <sup>11</sup>

- Deployment of generator sets
- Deployment of payloaders for clearing operations
- Deployment of satellite phones and set-up VSAT
- Deployment of water treatment units and water tankers
- Set-up water production sites
- Water distribution
- Deployment of food trucks
- Deployment of motorcycle, 6x6 trucks, cargo trucks for greater mobility
- Hot meals distribution, Provision of RTEs
- Relief distribution (Food items, NFI, STK, MPCG)
- Health and hygiene promotion activities
- Health consultations and conduct bio surveillance
- Provision of basic medicines, vitamins, etc.,
- Set-up medical tents, EFHs
- Distribution of facemasks
- Distribution of hygiene kits
- Conduct assessments (rapid and/or detailed sectoral)
- Continue welfare services (PFA, CFS, RFL)
- Continue safety services (FA, patient assist and transport)

• **Responding to the most vulnerable**

PRC having over a hundred chapters strategically placed all-over the country moved to respond to the needs of those affected. The organization's immediate disaster response spanned across areas of Romblon, Palawan, Sorsogon, Masbate, Aklan, Boracay-Malay, Antique, Capiz, Guimaras, Iloilo, Passi, Negros Occidental, Negros Oriental, Bohol, Cebu, Bogo, Lapu-Lapu, Siquijor, Southern Leyte, Hilongos, Ormoc, Northern Samar, Eastern Samar, Western Samar, Biliran, Gingoog, Camiguin, Lanao Del Norte, Misamis Oriental, Misamis Occidental, Davao De Oro, Iligan, Surigao del Norte, Siargao, Surigao Del Sur, Agusan del Norte, and Agusan del Sur.

The hefty aftermath left by TY Odette prompted for further assessments, zooming in to channel the organization's humanitarian endeavors in responding to the most vulnerable and greatly affected communities. That being said, drawing from the results of the RDANA conducted at the ground level, 2 lines of priority were determined with areas as follows:

**PRC National Headquarters Actions Taken and Plans of Action**

- **Preparation for additional delivery of NFI (Surigao del Norte, Siargao, Dinagat, Southern Leyte, Cebu)**  
-Plans to deliver additional 4,400 sets of standard NFI (sleeping kits, hygiene kits, jerry cans, tarpaulins and kitchen sets) is currently being organized.
- **Deployment of Cash Team to augment chapter operations (Negros Island, Siargao, Dinagat, Surigao del Norte - Mainland)**  
-Additional cash personnel to be deployed to support chapters on MPCG
- **Deployment of Humanitarian Caravan to TY Odette-hit areas (Palawan, Southern Leyte, Bohol, Surigao del Norte, Siargao)**  
- Consists of water tankers, food trucks, payloaders, ambulance, 6x6 trucks, service vehicles, and other logistical assets such as generator sets, face masks, relief sando bag, relief eco bag, RTEs, and other NFIs; as well as composite teams for rapid assessment, clearing operations, ambulance operations, and hotmeals distribution.
- **Sending out reinforcements to the Humanitarian Caravan**  
- Due to the increasing number of diarrhea cases in Siargao, reinforcements to the humanitarian caravan initially deployed are being arranged. Among the additional assets for deployment are medical tents, other medical and health items, food truck, and other relief items. To augment the relief operations in Surigao del Norte, the deployment of additional relief and logistics personnel is in the pipeline
- **Operational Expense for Chapters and Offices**  
- DREF Approved. Cash advances to the affected chapters are continuously being prepared for releasing to support mobilization and augment other preparedness and response activities. A total of Php 6.2M worth of operational expense have been issued to services and chapters
- **Local and international support**  
- Movement partners have responded to PRC's appeal, and have since provided their support.  
- Emergency appeal to the general population was launched to gather donations for affected communities

## V. PRESENCE OF HUMANITARIAN ACTORS IN TY ODETTE RESPONSE <sup>13</sup>

\*Please see Annex 6 for more details on the Humanitarian Response to TY Odette

### • Humanitarian organizations in action

With TY Odette being the strongest typhoon to have hit the Philippines in 2021, various institutions and organizations, public and private alike, concerted humanitarian efforts towards vulnerable communities affected by the typhoon. In the *Super Typhoon Rai (Odette) Humanitarian Needs and Priorities Monitoring Dashboard* consolidated by UN OCHA, the *Typhoon Rai (Odette) 3W (Who, What, Where)* summarizes humanitarian organizations engaged in TY Odette Response in the Philippines.

As of 04 February 2022, there are 90 organizations moving across 11 regions, 31 provinces, 198 municipalities, engaged in WASH (Water and Sanitation, Hygiene), CCCM (Camp Coordination and Camp Management), Food Security and Agriculture, Shelter, Protection, Health, Relief distribution of NFI, Community Engagement, Multi-cluster activities, Logistics, Education, Nutrition, Early Recovery, Livelihood, E-telecommunication, and coordination. Philippine Red Cross remains to be the lead organization in the emergency response with its flagship activities on WASH, Food Security and Agriculture, Protection, and Health; along with IOM, SP, CARE, AAH, PDRF, UNICEF, PLAN, RAFI, Oxfam-SIKAT, WVI, CRS, WFP, Caritas PH, CFSI, ChildFund, Oxfam-ECLIPSE, and UNFPA.
